19. How do I get more information?

**BASIC INFORMATION**

**1. Why is there a notice?**

A notice has been made available because you have a right to know about a proposed Settlement of this class action lawsuit, and about your options, before the Court decides whether to approve the Settlement. If the Court approves the Settlement, an administrator appointed by the Court will make the payments that the Settlement allows. Because your rights will be affected by this Settlement, it is extremely important that you read this notice carefully.

If you received a shorter version of this notice via U.S. Mail or email, it is because, according to APFM’s records, you might have received a non-emergency call from APFM to a cellular telephone between August 7, 2013 and August 15, 2019. The Court in charge of the case is the United States District Court for the Western District of Washington, and the case is known as *Pine v. A Place for Mom, Inc.*, Case No. 2:17-cv-01826-TSZ, before Judge Thomas S. Zilly. The person who sued on behalf of the class is called the Plaintiff, and the company he sued, A Place for Mom, Inc., is called the Defendant.

**2. What is this class action lawsuit about?**

A class action is a lawsuit in which the claims and rights of many people are decided in a single court proceeding. One or more representative plaintiffs, also known as “class representatives,” assert claims on behalf of the entire class.

The Representative Plaintiff filed this case against Defendant alleging that APFM violated the Telephone Consumer Protection Act (“TCPA”) by calling cell phones without the prior express written consent of the recipients.

APFM denies that it did anything wrong, or that this case is appropriate for treatment as a class action.

**3. Why is there a Settlement?**

The Court did not decide in favor of the Plaintiff or Defendant. Both sides agreed to a settlement instead of going to trial. That way, they avoid the cost and uncertainty of a trial, and the people alleged to be affected will get compensation. The Representative Plaintiff and his attorneys think the Settlement is best for all Class Members.

## WHO IS IN THE SETTLEMENT

### 4. How do I know if I am part of the Settlement?

The Settlement applies to Class Members, who are described as all persons within the United States who, between August 7, 2013 and August 15, 2019, received, without their consent, a non-emergency call from defendant A Place for Mom, Inc., or any party acting on defendant's behalf, to a cellular telephone. There are two groups of Class Members: (i) Class Members who the parties agree could be identified from APFM's records ("Group 1"); and (ii) Potential Class Members who could not be identified from APFM's records ("Group 2").

If you have questions about whether you are a Class Member, or are still not sure whether you are included, you can call 866-757-7934 or visit [www.APFMTCPAsettlement.com](http://www.APFMTCPAsettlement.com) for more information.

### 5. Why did I receive this Mail Notice or Email Notice?

APFM obtained approximately 56,000 Class Members' contact information through the website "[locate.aplaceformom.com](http://locate.aplaceformom.com)" and variations of that website. The Parties agree that such persons are Class Members of Group 1. Class Members of Group 1 will receive Mail Notice if a postal address is available or Email Notice if a postal address is unavailable.

APFM also obtained approximately 3 million people's contact information from other sources, including through incoming telephone calls and other websites. The Parties agree that such persons are Potential Class Members of Group 2. Because APFM's records do not establish whether such persons are Class Members, they received Email Notice and must submit a valid and timely Claim Form to receive a Settlement Award.

## THE SETTLEMENT BENEFITS-WHAT YOU GET

### 6. What does the Settlement provide?

APFM has agreed to pay a total settlement amount of \$6,000,000 which will be used to create a Settlement Fund to pay cash Settlement Awards to Class Members or allow Class Members to make a donation if they elect to do so, Plaintiff's attorneys' fees and costs, any service award to the Representative Plaintiff, and expenses of settlement administration. Plaintiff's Counsel estimate that the Settlement Award to each Class Member who submits a valid and timely Claim Form will be in the range of \$34.00.

If any money remains in the Settlement Fund after making the payments, the balance will be awarded to the Electronic Frontier Foundation in the form of a cy pres distribution. The Electronic Frontier Foundation is a non-profit organization whose mission, in part, is to protect consumers from invasions of privacy resulting from the use of technology, including cellular telephones. Plaintiff, Defendant, and their attorneys do not have any relationship to the Electronic Frontier Foundation.

### 7. Why does Plaintiff's Counsel estimate payment in the range of \$34.00 for each Class Member?

The amount of the final cash payment will depend on the total number of Group 1 Class Members who can be located and the total number of Group 2 Potential Class Members who submit valid and timely claims. Approximately 56,000 Class Members who received Mailed Notice will receive payment automatically. The minimum payment for all Class Members if every person who received Email Notice submits a valid and timely Claim Form is estimated to be \$1.29. The maximum payment if no one in Group 2 submits a valid and timely Claim Form is estimated to be \$71.47. Plaintiff's Counsel estimate that approximately 2% (or 60,000) persons who received Email Notice will submit timely and valid Claim Forms establishing they are Class Members. In that event, all Class Members will receive payment in the range of \$34.00.

## HOW YOU GET A PAYMENT OR ELECT TO MAKE A DONATION

### 8. If I am a Class Member of Group 1, how and when can I get a payment or make a donation?

If you received a notice by U.S. Mail and your notice indicates you are a member of Group 1, you do not need to take any action to receive a Settlement Award and be bound by the terms of the Settlement.

If you received a notice by email and your notice indicates you are a member of Group 1, in order to receive a Settlement Award you need to provide an updated mailing address at this link: [www.APFMTCPAsettlement.com](http://www.APFMTCPAsettlement.com) by September 15, 2020. If you do not provide an updated mailing address to receive payment, you will still be bound by the terms of the Settlement.

In either case, if you prefer payment via electronic payment or would like to donate your Settlement Award to Fisher Center for Alzheimer's Research Foundation charity, you must submit a Payment Selection Form and a valid email address online at this link: [www.APFMTCPAsettlement.com](http://www.APFMTCPAsettlement.com) by September 15, 2020.

A Settlement Award is a cash payment that will be issued by check or electronic payment. Plaintiff's Counsel estimate that the Settlement Award to each Class Member will be in the range of \$34.00. The final cash payment amount will depend on the total number of Group 1 Class Members who can be located and total number of Group 2 Potential Class Members who submit valid and timely claims.

Payment Selection Forms must be submitted **by no later than September 15, 2020** electronically at [www.APFMTCPAsettlement.com](http://www.APFMTCPAsettlement.com) using the Claim ID and PIN from the notice.

The Court will hold a hearing on October 1, 2020 to decide whether to approve the Settlement. Please be patient.

## **9. If I am a Class Member of Group 2, how and when can I get a payment or make a donation?**

If you received a notice via email and your notice indicates you are a member of Group 2, you must submit a valid and timely Claim Form at this link [www.APFMTCPAsettlement.com](http://www.APFMTCPAsettlement.com) by September 15, 2020 to receive a Settlement Award. If you prefer payment via electronic payment or would like to donate your Settlement Award to Fisher Center for Alzheimer's Research Foundation charity, you must also submit a Payment Selection Form and a valid email address online at this link [www.APFMTCPAsettlement.com](http://www.APFMTCPAsettlement.com) by September 15, 2020. If you do nothing in response, you will be bound by the terms of the Settlement if it is approved by the Court, and you will not receive any monetary benefit from the Settlement.

A Settlement Award is a cash payment that will be issued by check or electronic payment. Plaintiff's Counsel estimate that the Settlement Award to each Class Member will be in the range of \$34.00. The final cash payment amount will depend on the total number of Group 1 Class Members who can be located and total number of Group 2 Potential Class Members who submit valid and timely claims.

Claim Forms and Payment Selection Forms must be submitted **by no later than September 15, 2020** electronically at [www.APFMTCPAsettlement.com](http://www.APFMTCPAsettlement.com) using the Claim ID and PIN from the notice.

## **10. What if I am a Class Member and did not receive a notice via U.S. Mail or email**

If you did not receive a notice via U.S. Mail or email and you believe you are a Class Member, you must submit a valid and timely Claim Form at this link [www.APFMTCPAsettlement.com](http://www.APFMTCPAsettlement.com) by September 15, 2020 to receive a Settlement Award. If you prefer payment via electronic payment or would like to donate your Settlement Award to Fisher Center for Alzheimer's Research Foundation charity, you must also submit a Payment Selection Form and a valid email address online at this link [www.APFMTCPAsettlement.com](http://www.APFMTCPAsettlement.com) by September 15, 2020. If you do nothing, you will be bound by the terms of the Settlement if it is approved by the Court, and you will not receive any monetary benefit from the Settlement.

Claim Forms and Payment Selection Forms must be submitted by no later than September 15, 2020 electronically at [www.APFMTCPAsettlement.com](http://www.APFMTCPAsettlement.com).

The Court will hold a hearing on October 1, 2020 to decide whether to approve the Settlement. Please be patient.

## **11. What am I giving up to stay in the Class?**

If you are a Class Member, unless you exclude yourself, that means that you will release claims against A Place for Mom and can't sue, continue to sue, or be part of any other lawsuit against A Place for Mom for such released claims and all of the decisions and judgments by the Court will bind you.

For non-emergency telemarketing calls made to a cellular phone number using an automatic telephone dialing system, without the prior express written consent of the called party, the TCPA provides for damages of \$500 per call, or \$1,500 for willful violations. However, APFM has denied that it made any illegal calls to anyone because it calls people who provide their telephone number in connection with a request for information about senior living, and in any future lawsuit A Place for Mom will have a full range of potential defenses, including that it had the required consent to make calls and that such calls were not telemarketing calls and were not made using an automatic telephone dialing system, among other things. In addition, please note that the TCPA does not provide for attorneys' fees to prevailing individual plaintiffs.

If you file a Claim Form for benefits or do nothing at all, you will release A Place for Mom from liability.

Remaining in the Class means that You, meaning you and your respective assigns, heirs, executors, administrators, successors and agents, hereby release, resolve, relinquish and discharge each and all of the Released Parties from each of the Released Claims (as defined below). You further agree that You will not institute any action or cause of action (in law, in equity, or administratively), suits, debts, liens, or claims, known or unknown, fixed or contingent, which You may have or claim to have, in state or federal court, in arbitration, or with any state, federal or local government agency, or with any administrative or advisory body, arising from the Released Claims.

"Released Claims" means any and all claims, causes of action, suits, obligations, debts, demands, agreements, promises, liabilities, damages, losses, controversies, costs, expenses, and attorneys' fees of any nature whatsoever, whether based on any federal law, state law, common law, territorial law, foreign law, contract, rule, regulation, any regulatory promulgation (including, but not limited to, any opinion or declaratory ruling), common law or equity, whether known or unknown, suspected or unsuspected, asserted or unasserted, foreseen or unforeseen, actual or contingent, liquidated or unliquidated, punitive or compensatory, as of the date of the Final Approval Order, including those that: (1) arise out of any alleged violation of the TCPA by the Released Parties including in contacting or attempting to contact Settlement Class Members via non-emergency calls to cellular telephones, to the fullest extent those terms are used, defined or interpreted by the TCPA and relevant regulatory or administrative promulgations and case law, or (2) arise from the administration of this Settlement, including all claims arising from or related to any alleged data breaches, failures to comply with state and federal privacy laws, failures to confirm the proper identity of Class Members and any other alleged violations of state and federal laws that govern the collection and storage of consumer financial information and the electronic distribution of funds. In other words, Released Claims include TCPA claims and any claims that arise out of the calls that Plaintiff alleges violated the TCPA. This includes, for example, any alleged violations of state telemarketing laws.

“Released Parties” means Defendant and its past, present, and future directors, officers, managers, employees, contractors, shareholders, parent companies, general partners, limited partners, principals, subsidiaries, insurers, reinsurers, shareholders, attorneys, advisors, representatives, predecessors, successors, divisions, joint ventures, assigns, or related entities, and each of their respective executors, successors, assigns and legal representatives; TELUS International (U.S.) Corporation; TPUSA-FHCS, Inc. f/k/a Aegis USA, Inc.; Working Solutions, LLC; Tree Rings, LLC (and other entities and individuals at those entities placing calls on Defendant’s behalf); and Defendant’s senior housing partners, including independent living, assisted living and memory care facilities, senior day care and home care providers, senior apartment facilities, skilled nursing facilities and residential care homes that made calls to Settlement Class Members using telephone numbers provided by Defendant.

The Settlement Agreement (available at the [www.APFMTCPAsettlement.com](http://www.APFMTCPAsettlement.com)) provides more detail regarding the release and describes the Released Claims with specific descriptions in necessary, accurate legal terminology, so read it carefully. You can talk to the law firms listed in Question 13 for free or you can, at your own expense, talk to your own lawyer if you have any questions about the Released Parties or the Released Claims or what they mean.

Class Members are not precluded from addressing, contacting, dealing with, or complying with requests or inquiries from any governmental authorities relating to the issues raised in this class action settlement.

The release does not apply to Class Members who timely opt out of the Settlement.

Class Counsel will also request an award of one service payment of \$10,000 to the Class Representative and \$2,500 to the former plaintiff, in compensation for their time and effort.
